BUSINESS GUIDE

About Us

Bit Profits Network is a diversified funds management group, with distinct investment strategies that aim to deliver superior long-term risk-adjusted returns to investors, with a focus on capital preservation.

We were founded on the premise that alignment between a fund manager and its investors is crucial. Our business, and our funds, are structured and managed within this framework.

Bit Profits Network operates an automated online investment platform with a team of professional traders focusing mainly on Bitcoin and other crypto currencies trading over multiple Exchanges and markets. Thanks to the extraordinary diversification of our investments, we are able to deliver steady income for our investors. Thanks to our company, you can become an investor in the network without any specialist knowledge.
